F. and L. Circle of Millville, U. S. Grant Circle, of Vineland.

LADIES OF THE  
GRAND ARMY.

Held Social Session and Served Bountiful Supper—Comrades of A. L. Robeson Post Also Guests—Pleasant Fraternal Occasion.

The members of Glenwood Circle Ladies of the G. A. R., had a session of unusual interest yesterday afternoon at their weekly meeting.

They had as their guests large delegations from F. and L. Circle, of Millville, and U. S. Grant Circle, of Vineland, and the social time that followed continued until a late hour in the evening.

The members of Glenwood Circle had their regular routine of business with the president, Mrs. Susie Garwood, in the chair. The visitors were invited to take part and all spoke briefly, there being a free exchange of warm, fraternal greeting between the three circles.

At the close they sang, as usual, a verse of "God Be With You Till We Meet Again" and Mrs. Phebe McClintock, chaplain of Glenwood Circle, was so moved by the feeling of the occasion that she insisted they sing the entire hymn.

### THE SUPPER.

Supper was served in the dining room which was decorated with flags and hunting and the ladies also had as their guests the comrades from A. L. Robeson Post, No. 42, G. A. R., who afterward held their weekly meeting. The supper was composed of the usual bountiful supply of good things that have won for these ladies their reputation in this line. All did full justice and many complimentary remarks were heard of the various viands.

After the session of the Post there was a joint social session in which all had a genial social time. There was no formal program but the occasion was enlivened by the singing of patriotic songs and martial music by Lacey's Drum Corps.

Speeches were made by Commander J. Lenhart Rice and Comrades Shepard and Ogden. Several of the visitors spoke briefly including Mrs. Sarah Wallen, of Millville, who is junior vice commander of the Department; Mrs. Abbie Kesler, of Millville, and Mrs. Mary Chew, of Vineland. All expressed hearty appreciation of the hospitality of Glenwood Circle.

Frank Archer sang a solo entitled: "No One Knows" and was accorded much applause.
