
FELL INTO GRAVE

AT BURIAL SERVICE

VINELAND, Oct. 20.—As U. S. Grant Circle, Ladies of the G. A. R. gathered around the grave of Mrs. John Stott, in the Soldiers' Home Cemetery, to hold services, the ground suddenly gave way and one of the leaders was precipitated into the grave on top of the box that held the casket.

There was a chorus of feminine screams, as some men standing near sprang into the hole and extricated the woman, who immediately went on with the service, as though nothing had happened. One of the officers was so overcome by the shock that she failed to respond in her turn.
