

FARM AND GARDEN CLUB TO BE HERE

Vineland Aggregation and G. A. R. Ladies Will Hold Annual Picnic in Water Works Park.

Tomorrow 150 members of the Farm and Garden Club of West Vineland will hold their 56th mid-summer meeting at Water Works Park, Bridgeton. Particularly significant is the fact that for the last twenty-two years this association has never met outside of Vineland.

Mayor Samuel C. Johnson will greet the visitors when they sit down at long dinner tables which will be provided in the park by a committee of members of City Council and the Chamber of Commerce.

At this session three circles of the Ladies of the G. A. R. will participate. U. S. Grant Circle, of Vineland; F. & L. Circle, of Millville, and Glenwood Circle, of Bridgeton, will kindle a camp fire and join with the garden folks in the celebration of the day.

City officials have been especially invited as guests and the program of speaking will commence at 2.30. Luncheon is called for 12 o'clock.
